Wednesday Nights are Back!

Ten|27 Summer Programming Starts July 1st!

We are starting our Wednesday night programming back! I am so excited for how this will impact our kids here at Columbia Church of Christ! We will be coming back July 1st!

Wednesday Nights will now include kids going into Preschool-8th grade! Our high school ministry has been meeting on Sunday nights from 4:00-6:00 pm. If you have a high schooler, please send them on Sunday nights, we would love to see them there!

Wednesday Night Information

We will be meeting at our normal time on Wednesdays, from 7-8 pm. The night will include a devotion/worship time and then we will all participate in an organized summer game such as Kickball, Dodgeball, Volleyball, Badminton, etc. It will be a great time and we are all excited about what is to come!

New Registration Forms

We are updating our records for our Ten|27 Ministries, so we have new registration forms for parents to fill out! We want to be best equipped to serve and protect our students! You can fill one out at church, or I can send one to you! Thank you for sharing your kids with us!

In Christ,

Jonathan
