No more online!...for now

Hello everyone!

We are preparing to go back to in-person youth group in December! High School Students will start their programming November 29th! Kids and Jr High Students will start their programming on December 2nd! We are so excited to get back to meeting in-person, but want to assure your family's safety as much as possible. That being said, we are making a few changes at least through the month of December. We will reevaluate the changes in January while we are on break, and I will let you know how we plan to move forward at that time.

Starting next week, there will be no van routes. We have decided it would be safer for families to bring their Kids and Students to our programming, at least through the month of December. I am sorry for any inconvenience this might cause. The other change we are making is that we will be checking temperatures of Staff, Kids, and Students before they enter the building. If anyone has a temperature of 100.4, they will be asked to go home and take the week off.

Our Kids Ministry will be meeting upstairs in our Sanctuary to give them the proper space. Our Jr. High Student Ministry will meet downstairs in our Student Hall. Because of this change, both Kids and Students will meet from 6:00-7:00 pm on Wednesday Nights through the month of December.

Thank you so much for sharing your Kids and Students with us! If you have any questions or concerns, please feel free to reach out to me, I would love to help in any way that I can.

In Christ,
Jonathan
