*D*o We See, Can We Hear?

- Jeremy S. Jones

"But ask the beasts, and they will teach you; the birds of the heavens, and they will tell you; or the bushes of the earth, and they will teach you; and the fish of the sea will declare to you. Who among all these does not know that the hand of the LORD has done this? In his hand is the life of every living thing and the breath of all mankind." (Job 12:7 – 10)

What a comfort this verse is to those that rely on God's Word. When we look to our circumstances and the things that are going on around us, it is so easy to be like Job's friends and ask, "why is this happening? Something has been done, either by me or by someone else, to make God angry. " It can be hard to find God when everything is uncertain. But what a wonderful God we serve!! He not only does He give us His Word that we can look to find answers, to find the light in the darkness. He gave us this great and wonderful creation we can look at, Creation that from the beginning has praised its Creator.

So, the next time you feel discouraged, that "there is no way God is still here" look to creation. See the wonder and beauty He has made. And join in, as creation sings praises to the ONE TRUE God.
