Hello Parents!

I'm so grateful that your family is a part of Columbia Church of Christ, and I'm honored to be able to partner with you in the discipleship of your child.

Over the next four weeks, we will be diving into a teaching series called *Soul Searching*, and we will be asking questions such as:

- *What is a soul?*
- *Why is my soul important?*
- *How should I take care of my soul?*
- *How does my soul impact people around me?*

I'm anticipating that it will spark great conversations in our ministry, and it's my hope that this will spill over into your home and family time. Consider asking your child what they learned at youth group each night, followed by a leading question like, "How do you think that will change your life?"

Of course, the single greatest thing we can do as parents and mentors is to pray for these young people. Would you join me in praying for our Kids and Student ministries over the next four weeks? Consider praying today that God would begin stirring in our students' hearts, and that they would recognize His great love for them!

If you'd like to dig deeper into this important subject, here are a few books that are worth reading:

- Replenish*, Lance Witt
- How's Your Soul?*, Judah Smith
- Soul Feast*, Marjorie Thompson

As always, please don't hesitate to reach out if you have any questions or simply want to chat. Have a great day!

We are also getting ready to celebrate Christ's resurrection in the coming weeks. We are going to have the Kids on stage, Sunday, March 28th for Palm Sunday! They will be singing a song and waving palm branches, celebrating Christ's entrance!

Then, on Easter Sunday, we will be having a special Easter breakfast from 7:30-8:30.

After breakfast, there will be an Easter Egg hunt at the church from 8:30-9:20. Following the hunt will be our Easter service. We encourage you to bring your family, a friend to these celebratory Sundays! We look forward to seeing you all soon!
