

FAMILY Challenge

- Jeremy S. Jones

This Month's Challenge:

This month, at least once a week, I challenge us to get together with our families, either in the morning or evening to look at God's Word. Some fun ways you could do this are with the weather turning nice maybe sit around the fire pit together or in the grass enjoying a special snack (roasting s'mores or eating popsicles). As you come together pick one Bible story to read and discuss.

Some discussion questions to get you started:

- 1) Who are the main characters?
- 2) What is God asking? (ex. Noah building the Ark)
- 3) What challenges did the characters face?
- 4) Was God's request easy or hard? (ex. Easy – Jesus telling the disciples to row across the Sea of Galilee)
- 5) What was the result of their obedience? (ex. Disciples got in the boat and rows across the Sea. While they were in the middle of the Sea a huge storm came that was going to sink the boat)
- 6) What can we learn from this story?
- 7) How can we apply this story to our life?

Some other things you can do is make a game out of the story or turn it into a play. The more we can make God's Word interesting the more our children will come to love it. Enjoy and have fun with it.
